# Directions for 8 ½" x 11" Mobile

## Supplies

Mobile component pages (download from Web site)

Scissors

Pencil or pen

Glue stick

Elastic string (found in craft stores)

1. Download the 2 pages of mobile components and print. (If possible, use card stock for best results.)
2. Cut out each mobile component from both pages.
3. Using a glue stick, glue A1 to the back of A2, B1 to B2, and so on.
4. Punch out holes on each component with a pen or pencil tip.
5. Cut a 2 ¾" piece of elastic string and connect A to B, tying knots in each hole.
6. Attach B to D with a 3 ¾" piece of string.
7. Attach B to C with a 2 ¾" piece of elastic string.
8. Attach B to E with a 2 ¾" piece of elastic string.
9. Attach D to F with a 2 ¾" piece of elastic string.
10. Attach a piece of elastic string to the top of A and hang.
