

Answer Key – Reading Language Arts

Recipe for Fun: Combine Watermelon & Friends!

Grades 3-4

Read the recipe instructions. Then number the steps in order by writing a number next to each sentence.

Steps:

4

5

8

6

1

7

2

3

Write the words from each list from top to bottom in alphabetical order.

patch

seeds

pick

slice

picnic

snack

plant

soil

pollinate

sun

produce

sweet

red

farmer

rain

fertilizer

rind

festival

ripe

flower

round

fresh

row

fun

Place a check next to the sentence that best paraphrases the original sentence.

1. J. Slice is a great athlete.
2. More watermelons are grown in China than in any other country.
3. A watermelon vine often grows 6-8 feet long in 30 days.
4. Pinky likes making watermelon snacks with J. Slice.
5. Watermelons must be picked by hand because rinds are fragile.
