

# Watermelon Day

## Party Hats

### *Supplies*

- Template
- Scissors
- Pencil
- Red, pink and different shades of green construction paper or cardstock
- Green and black markers
- Transparent tape or white school glue
- Green rickrack
- Pencil
- Green yarn

### *Directions*

1. Print, cut out and trace the template onto paper or cardstock.  
Fold the template at the dotted line, tracing a dotted line onto the paper.  
Cut out the hat, following the outside line.
2. Use markers to add seeds or stripes to the hats.
3. Create cone shapes with the hats. Fold hats at the dotted line and glue or tape the flap to the inside of the hats.
4. Cut rickrack and strips of green paper and glue around the base of red and pink hats.
5. Poke holes in the sides of the hats with a pencil. Thread yarn through the holes and tie off with small knots.

*Fold at dotted line. Glue or tape close.*
