

Watermelon Production

Watermelon is available year-round with more than one million pounds in the market every day of the year:

- **Spring/Summer:** watermelon is available from the U.S. – more than 25 states grow watermelon commercially
- **Fall/Winter:** watermelon is available from Central and South America – mostly Mexico

Above: Order is listed from top to bottom by highest production. Source: USDA-AMS Market News, Average Daily Volume, 2022-2024.

Please note the production areas referenced are the top five for volume each month. They do not include all areas that produce watermelon for the U.S.
