

# Watermelon Limeade

**Easy-to-make, simple refreshment! Enjoy any time of day or as a mixer at night. For a fun mocktail, rim glasses with more lime juice and some Himalayan pink salt before finishing with lime and watermelon slice garnishes. Add tequila to the mix for a Margarita-like cocktail.**

## Ingredients

- 6 cups cubed watermelon
- 1/2 cup lime juice
- 2-3 tablespoons agave, to taste
- Lime wedges and mint, for garnish (optional)

## Instructions

1. Blend all ingredients in a blender until smooth.
2. Strain into a large pitcher filled with ice.
3. Garnish with lime wedges and mint (optional).

## The Sweet Way to Hydrate!

With 92% H2O, there's fluid in every bite.  
It's a delicious way to rehydrate, refuel and  
recover during exercise and play.

### Refresh with Watermelon Juice

Blend 2-3 cups watermelon chunks at a time  
until smooth. Straining is optional.

### Serve Up Watermelon Infused Water

Mix 2 cups of watermelon, berries and mint in a  
pitcher. Fill with water.
